Joe and all;

I have not yet confirmed the availability of my team on Guam for this meeting. If they are not available we will need to reschedule. I will notify the addressed as soon as I know, otherwise I will speak with you all in two hours.

Best,  
David

Maps and discussion sent to all invitees by Coralie Cobb on 3/31. If by chance you did not receive that email, reply to me and I'll forward those details to you.
